

US-31 Traffic Shifting Sunday

May 2, 2015

As part of the reconstruction of US-31 from Holiday Road to Three Mile Road in East Bay Township, traffic lanes will be shifting Sunday in the construction zone.

The Michigan Department of Transportation (MDOT) and Team Elmer's are finishing first and second-course paving - as well as paving on driveway approaches and temporary pavement markings - this weekend on the westbound lanes (north side). Crews are expected to reopen the westbound lanes Sunday

morning, moving traffic to the north half of the roadway to allow for reconstruction of the eastbound lanes. As with the first phase of the project, one lane of traffic will be open in each direction, with left-turn lanes at major intersections. Access to businesses and residences will be maintained at all times.
